Material Certification

Part Number: 6118 Type Die Ejection

Material Code: 6118 Firm Red SBR

For Customer: Diansuply

Date of Certification: 5/16/19

Data Source: Lab Test Typicals

Factory Prep – Cure Time, Temp, Mold, Density: Production Pad

Durometer Shore OO: 72 +-5

Compression Deflection psi: 21
25% Deflection @ RT

Density lbs/cu ft : 47

Base Polymer: SBR

Color: Red

Testing per ASTM D1056, density calculated.
